M. M. MURDOCK, EDITOR.

WICHITA, KANSAS, APRIL 28, 1881.

Last week, from a reported speech of Senator Beck in the United States Senate, we at adverse report. They believe that the Senator Beck in the United States Senate, we published a declaration that if the Republicans held out for Mahone and Riddlebarger, ers are very anxious for the committee to the Democrats would present the name of a adopt its report, so that the nomination can Kansas Union soldier for Sergeant-at-Arms of the Senate. It is stated now the Commonwealth that the Democratic State Central Committee are the authors of the brilliant suggestion, and that Col. John A. Martin, of Atchison, Ben. Simpson, present United States Marshal, and Wm. Higgins, late Sergeant-at-Arms of the lower house of the Legislature, were the names suggested. It was thought that either Senator Ingalls or Plumb would unite with the Democrats in such a scheme. In our judgment Senator Kansas Union soldier for Sergeant-at-Arms be acted upon at the first executive session. such a scheme. In our judgment Senator Plumb nor Ingalls could be caught by any game. In the next place Col. Martin would

the expiration of office as chief executive of gers until by international concert, provision Kansas, has been in the crapley of the Santa is made for a standing reward to any seaman Fe railway people in New Mexico and Colo- who proves that he has sunk one. rado. Now that that road is building a road from Paso Del North to the City of Mexico, in old Mexico, Governor Authony has been raily as he does to the Fourth of July. Last made the general superintendent of con-struction, with headquarters at Paso Del dent Arthur, Gen. Sherman, Senators Sher-Norte, which point is right at the line of old han, Anthony and Burnside were all on one and New Mexico, and close to the northwest seat together, enjoying the cloquence of the corner of Texas. The first division of the sawdust orators at Baroum's show. road runs through the State of Chihuahua, whose people are not only pretty strongly for State rights, but divided upon the question of railways. As we are one that be- received at St. Petersburg by all the Russian lieves that this railway extension into Mexico will result in the acquisition of that counry in the near future, peacefully or by war, Governor George T.'s opportunity is to come. We haven't forgotten his experience as a commander in chief of a railroad war in Kansas during the great strike, nor his success as a chief executive. But Greasers tell you why so much of our wheat is winter George can secure half of the Chihuahuans given considerable study and close inquiry. Hacker and Jackson. on his side, he will come off victorious. He must remember that not only the eyes of sas are upon him.

THE MUDDY MISSOURI

have been transferring passengers and freight ing to my observation and study, is the cause in boats over the flooded bottoms. As many of so much winter-killed wheat in this see as three frame residences went by Omaha from up the river in a single day. Leaven- I think I am a little shead on corn. I have By the barrel or gallon. worth, Atchison and St. Joe have suffered forty acres which, for several days, has been but little except along the levees, but the up to such a height as to be easily seen from river sweeps across the bottoms everywhere the road. I feel quite jubilant overmy prodestroying thousands of farms. The river pect in this direction. at Quincy is five miles wide. But little damage has been done in the city, excepting in locality, the affected convalescing, and no causing temporary suspension of several fatal results from the malady. large manufacturing establishments along the levee. The most serious loss will be from the flooding of thousands of acres of farming lands, and the washing away of road beds of several railroads. The Missouri Pacific road hes Atchison by way of Topeka from Kansas City. With such an unprecedented and destructive spring rise the gravest apprehensions are entertained from the results of the June rise which always succeeds the

From all that can be gathered it is a genuine enterprise with a solid foundation. Large amounts of iron, ties, and ther material are being received, which does not indicate a work of wind and speculation only. Some work of wind and speculation only. Some in the bible, attend or endorse religious worship of any kind.

The light showers and soft weather of the content of the conte twenty miles of the road is ready for the rails and Messrs, Harris, Hill, Brinkerhoff, Tiernan, Porler and Bronson made eloquent corn planting, are pushing ahead with inspeeches and universal joy marked the occasion. The road will be completed to Wiching on the many approach of the many approach of the description of all things earthly, in the many approach of the many a ta by the first of next January.

A PROPHECY FA SIFIED. The Santa Fe Company is paying its cur-

pioyes in gold. And yet it is not three years since the Greenbackers were telling us that it would be utterly impossible to get gold enough into the country to resume with, let alone having enough to pay out for labor. FUN IN THE SENATE. Last week, the Democrats were chagrine

and surprised by Frye, of Maine, who made a terrific onslaught on the pugnacious minority. Although the youngest member of the body, he made the best and most effective speech that has been heard this session, It was a seathing indictment of every State in the South, without exception, and was so at large or has his recent rash, unwarranted official reports and figures, that it will be action in the simultaneous attack on Jay difficult, it not impossible, for the Bourbons to make a respectable defense. Mr. Butler, of South Carolina, said the senator from Maine had dodged the real question, which was whether there had been a disgraceful bargain between the Republicans and Mahone This aroused General Burnside, who caused a good deal of laughter by the earnestness with which he denied that there had been any bargain, and the emphatic manner may now be varied. The earth itself is one in which he said that any man who charged va-t garden of verdancy. that that there had been a bargain charged that which was false.

A correspondent of the New York San

"Were I compelled to select from this administration the man most likely to succeed Garfield I would take the youngest of them all-I mean Secretary Lincoln." This was said by one old in the service and independent in his position among leading Republicans. "The name is a preliminary battle the name. He premises at his age a great a very effective and a very fashionable resort deal more than his father did. He is ambitions only to do his work well. I consider he has the best introduction to the country of any man of his time—perhaps of any time—

To character of every exercise. With mass, In violation of private English, unconnected aw and contonous equity, a daw of water at or near the Sudireans, was per-certod from the tattle Arkansas River by a dus being thrown across it and a deep rice on from it, throwing the water thereby in-to Christella creek and from its natural chan-nel, for private use and speculative pur-poses, thereby impairing the health, comfort, poses, thereby impairing the health, comfort, athiry, and concensors and several water powers and privileges of great value on many of our respective preperties; and WHEREAS. The equity of times, superior to perverted intuan laws, in conformity with its infallible rule of vindicated the right, has seen it to black with its withering curse events.

who and whithersever they may be, that any effort to again pervert these waters from their material channel in the Little Arkansas. River will be presented and coatested to the extent of our means and the full powr of her and equity.

we herein subscribe to the above statement and purpose.
